TERMS AND CONDITIONS OF PURCHASE

1. Please quote this Purchase Order No. and date on all relevant correspondence.
2. All Invoices & supplies shall be accompanied by a Delivery challan, in triplicate,quoting this purchase Order No. and date.
3. Your quotation/acceptance of this order should be as per the Terms & Conditions mentioned below.
4. We resave the right to alter the delivery schedule in case of natural calamity, failure of plant & machinery, power failure or due to strike of production due to any other reason no claim will be made due to reasons beyond our control.

PRICE

1. Taxes, Octroi, Packing, if applicable, should be clearly stated in the Invoice.
2. The Buyer will not be able to offer payment, where proof of the delivery is effected, if proper documentation is not given.
3. No changes in rate, payment terms or any other Terms & Conditions will be accepted unless and until written consent is obtained from us.

QUALITY

1. All goods supplied shall, in every respect, conform to description and specification. They shall further be subject to the purchaser's inspection and approval within reasonable time after delivery, which will be final and binding.
2. If the specifications are not met with, the goods will be rejected and stored in our premises for a maximum of 2 weeks at the supplier's risk, who shall arrange to collect the material within 10 days of notification, failing which, the material will be returned at the seller's expense.
3. Authorized representative of the buyer will be allowed to inspect the rejection material, or material with error, at any stage, for verification at the process stage.

DELIVERY

1. All deliveries, as agreed upon, shall be fulfilled in case of default in effective deliveries within the stipulated delivery period. We reserve the right to cancel the order or any part thereof. Purchase of goods from elsewhere will be debited to the seller with extra cost, if any.

REJECTION

1. Material which is rejected due to any defect or workmanship will lie with us at your risk, Removal from our works will be your responsibility.
2. Amount of rejection material will be debited to your account.

SECRECY

1. Any technical data, details, sketches, given to you for our work, should not be misused or given out for any other purpose. The same should be returned immediately after our work or job is completed.

GUARANTEE

1. The seller must guarantee the buyer in respect of any defect which may arise due to faulty material, workmanship, design or defective components. The same shall be replaced by the seller without any delay and at no extra cost.
2. The seller will be responsible for supplying any products or designs which have been infringed from the patent rights, copyrights or design rights.
3. The seller has to defend, protect and save the purchaser, his subsidiaries, and his customers, from any loss, damage or expenses resulting from infringement of any kind.
4. All disputes to be settled within Mumbai jurisdiction only.

WARRANTY

1. Equipment to have guarantee for any manufacturing defect or defects arising out of workmanship on machine parts, or bought-out components, for 12 months from the date of commissioning, to be done by you.
2. From the date of commission (In case of breakdown), the number of days lost for repair to be added to be warranty period.
